Stakeholder Engagement Policy

Purpose

Allcargo Terminals Limited (“ATL” / the “Company”) trusts in developing long-term relationships with all its stakeholders and endeavours to create value for them through all its operations. Productive, continuous and detailed dialogues with stakeholders are imperative for fostering long-term relationships. ATL participates with its stakeholders to understand their needs and expectations, and factor in those while developing its business growth strategies. An important characteristic of its corporate governance lies in its stakeholder communications and engagement. To ensure the smooth functioning of the same, ATL shall follow the guidelines and principles in the policy across the organization.

Scope and Objective

This Policy provides a predominant approach for engaging with all the stakeholders of ATL. It has been put in place to ensure that the stakeholder engagement is applied consistently across the operational boundaries of ATL. This stakeholder engagement policy is committed to being responsible, transparent, and accountable towards the citizens of society, especially in all communities where ATL has its workspace and operations. The policy shall honor and maintain the rights of ATL’s stakeholders, encouraging them to conjoin and collaborate constructively in matters that are of interest to the stakeholders.

The objectives of this Policy are:

- to formalize the process for identifying and prioritizing ATL’s stakeholders;
- to convey and strengthen ATL’s commitment towards all its stakeholders;
- to continue to enhance stakeholders’ trust to build long-lasting and robust relationships;
- to develop a network to understand needs and expectations of stakeholders;
- to encourage the recognition by all its stakeholders of ATL’s commitment to diversity in the broad sense;
- to continue to enhance stakeholders’ trust and confidence in our processes and activities, while promoting a good understanding of stakeholders’ needs and expectations;
- to improve the communication to engage stakeholders’ and to convey and reinforce ATL’s commitment towards all its stakeholders.

Guidelines and core principles for stakeholder engagement

1. Stakeholder Identification and Prioritization:

ATL shall identify individuals or groups of individuals (including Companies, Partnership firms and Proprietary Firms) who are impacted by ATL’s products, services and activities as well as individuals or groups of individuals which have a direct or indirect impact on ATL. Upon such prioritization, ATL shall analyze the risks and impacts of ATL’s operation, whether direct or indirect on each Stakeholder.

2. Implementing communication strategies:

ATL shall closely engage with Stakeholders on periodic intervals to build a strong relationship to gain the right perception, build trust, and create value.

3. Disclosure of information:

ATL shall disclose permissible information about the company's activities in a timely manner in order to ensure the transparent processes.
